

<p>7.2.1 QM</p>	<p>Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.</p> <p>Provide web link to:</p> <ul style="list-style-type: none"> • Best practices in the Institutional web site • Any other relevant information <p>Best Practices 1 Title of practice: Online Initiatives Objective of the practice:</p> <ul style="list-style-type: none"> • To Make the students ,faculty and staff of the college aware about online initiatives • To motivate students about importance of online learning • Enhance The quality of teaching and learning process • Meet the challenges of learning styles as needs of the students • Improve the efficiency and effectiveness as per the needs of the circumstances and time <p>The Context Due to COVID 19 students of the educational Institutions according to the guidelines of Government of India and regional Government Govt. of Punjab and UGC guidelines, were being taught through Online Mode. It was the need of the hour. As at that time there was no precautionary medicine in this pandemic situation, keeping in mind the future of the students, online initiatives were undertaken by our Institution. Besides online classes, students participated enthusiastically in co-curricular activities which were remarkable step towards growth and effective use of ICT tools.</p> <p>The Practice According to the guidelines of the Govt. College started online Initiatives in all aspects to impart knowledge to the students. The college started online classes for each and every subject, class wise and subject wise WhatsApp groups were created by all faculty members. Online classes were implemented according to the timetable for every course. Students participated actively in it. Teaching Learning process became learning and innovative. Along with teaching, a Virtual meeting of principal with staff was conducted through online mode. House exams and class tests, video lectures, virtual lectures, notes etc became part of teaching process. Various events as such Environment day ,International Yoga day, Independence day, Diwali festival, Christmas, national voters day, national unity day ,Republic day etc were conducted through online mode. National level virtual webinars were conducted by various department on relevant topics for enhancement of learning to all students and faculty .On the eve of International Women Day, a panel discussion was organized through online mode in which eminent scholars enlightened the participants and audience.</p> <p>Evidence of success</p> <ul style="list-style-type: none"> • Through online initiatives there was no communication gap between students and teachers • Teaching learning process prove interesting and effective • The students along with faculty learnt about the benefits and advantage of Online initiatives during Pandemic times • Students did not lag behind so far as co-curricular activities were c concerned ,although it was online <p>Problems encountered and resources required</p> <ul style="list-style-type: none"> • Teachers mostly face challenges like lack of It support mainly Network problems
---------------------	---

- Unequal access for all students
- Lack of interest and attention among Students
- Broadly Internet issues mainly signal problems as well as data exactness were problems faced by students

Best Practices 2

Title of the practice: Eco-Friendly Campus

Objective of the Practice

- To Make the students, Faculty and staff of the college aware about eco-friendly Environment
- To maintain cleanliness in college campus
- To motivate students about cleanliness
- To ensure protection of bio diversity and safeguarding of flora and fauna

The Context

Eco friendly environment is the need of the hour .in the present age there is a threat to environment because of different and intricate life style of people. so it is very essential to make aware the young generation about the importance of cleanliness, greenery and eco-friendly environment Swach Bharat Abhiyaan was launched by PN Shri Narender Modi.

The Practice

Our Institution celebrated Environment Day to make students aware about the eco-friendly environment Rukh Lagao Pakhwada was celebrated. Tree Plantation drive was carried on my NCC cadets, Swachta Pakhwada celebrated by NCC unit activities included personal Hygiene day, Awareness rally, Cleanliness drive, hand wash day, cleaning of public parks, cleaning of Monuments nearby college, ,Seminar on Plastic waste management, cleanliness of adopted statue of Dr. Bhim Rao Ambedkar on Eco Friendly cell has been formed in college , eco-friendly Diwali was celebrated in the college campus ,Tree Plantation of oxygen plants by NSS unit, celebration of van Mahotsav, Earth Day and Maintenance of Herbal Park for environment protection in and around Campus were initiatives undertaken by NCC and NSS units.

Evidence of success

- Through eco-friendly drive we have been able to maintain clean and green environment in the campus. The students along with faculty members are now particular in throwing wastage in garbage.
- The students can enjoy the real fresh drinking water, Sanitation and hygiene facilities.
- Our Institution was honored with **SWACHHTA AWARD 2020-21** by Nagar Council Nakodar under Swachh survey for conducting various activities and Awareness programs related to environment protection.

Problems Encountered and Resources Required

- Additional resources can strengthen the eco-friendly mission
- Constraint of time schedule hinders the activities
- Human resource Management is difficult
- Active and voluntary cooperation is required from the students and faculty members in order to complete the eco-friendly drive.
